SUMMARY

- **2 year and 9 months** of technical expertise in **Java/J2EE** application development, deployment and maintenance
- **CCP** (Cognizant Certified Professional) in core Java
- Certified by IBM in Rational application developer for websphere software v6.0
- Well versed with entire development life cycle and facilitating agile practices.
- Admirable knowledge on **OOPS** and experienced in full Software development Life Cycle which includes designing, developing, testing, implementing, and integration and support.
- Proficient in grasping new technical concepts quickly and utilizing the same in a productive manner

TECHNICAL SKILLS

| | |
|-------------------------------|--|
| Java/J2EE Technologies | Core Java, Spring 3, JAX-RS, RESTful web services, MyBatis 3 |
| Programming Languages | C, C++, Core Java |
| Web Technologies | HTML 5, CSS 3, JavaScript, AJAX, JQuery, RequireJS, Underscore.js, Backbone.js |
| Platforms | Windows XP/Vista/7, Linux |
| Database System | MySQL 5, Oracle 11g |
| Web/App Servers | Tomcat 6, Websphere 7.0 |
| Tools and Packages | Eclipse, IBM RAD 6.0 |
| Domain | BFS (Banking and Finance Services), Telecom |

SCHOLASTICS

B.Tech in Information Technology, 2011

Institute of Technology, **Nirma University, Ahmedabad, 7.98 PPI** (Progressive performance Index)

GSHSEB 12th Standard, 2007

N.M High School, Ahmedabad - Percentage- **90.40 %** - **Ranked first in school and 79th at state level.**

GSHSEB 10th Standard, 2005

Nutan High School, Ahmedabad - Percentage- **86.71 %**

WORK EXPERIENCE

- **June, 2013 to present - Multi-Channel Self-Service**

Organization: Amdocs India

Team strength: 9

Role: I am a part of development and advocacy team of Product business group of Amdocs and bearer of following responsibilities:

- Understand the BRD and FSD and documentation of design document.
- Development of the core application business logic and presentation layer.
- Rule architect of overall application rule-base.
- Automation of some of the development processes.
- Deployment and administration of application in websphere servers.
- Fixed memory leaks and transactional issues on a J2EE based online system.

Definition: Multi-Channel Self-Service is for subscribers (end users) who can easily manage their account through portal instead of going to customer support for minute details. It provide all telecom related services to subscriber.

Platform: Web

Technologies used: Spring, REST framework, JAX-RS, HTML 5, CSS 3, JavaScript, JQuery, RequireJS, Underscore.js, Backbone.js

- **Feb 2012 to June 2013 - Loan Sanction Application**

Organization: Cognizant Technology Solutions

Client: Barclays Bank

Team strength: 5

Role: I was a part of development team and bearer of following responsibilities:

- Understand the BRD and FSD and documentation of design document.
- Development of the core application business logic and presentation layer.
- Rule architect of overall application rule-base.
- Automation of some of the development processes.
- Deployment and administration of application in websphere servers.
- Support to SIT, UAT, PT and LIVE proving.

Definition: LSA is a web application which helps a client to improve all lending related business processes. Application gathers data about borrower and his lending and securities and submits it to the central system which is CRM application. Most of the complex lending functionalities are being simplified through LSA.

Platform: Web

Technologies used: Core Java, Servlet/JSP, HTML, CSS, JavaScript, JQuery, DWR, IBM Rational Application Developer v7.0

- **Aug 2011 to Feb 2012 - RAPID Credit Application**

Organization: Cognizant Technology Solutions

Client: Barclays Bank

Team strength: 3

Role: I was a part of core functional design of the RAPID project and as a development team bearer of following responsibilities:

- Understand the BRD and FSD and documentation of design document.
- Development of the core application business logic and presentation layer.
- Rule architect of overall application rule-base.

- Automation of some of the development processes.
- Deployment and administration of application in websphere servers.
- Support to SIT, UAT, PT and LIVE proving.

Definition: The RAPID project is fundamentally about decreasing the amount of time credit applications take to process, and to make the entire process more efficient by allowing Sanctioning staff to be deployed on relevant sanctioning work, as opposed to just following process. In the context of RAPID, OPA would be used to score applicants requests against business rules and data made available in an RDMS and given proper routing of credit applications.

Platform: Web

Technologies used: Core Java, Servlet/JSP, HTML, CSS, JavaScript, JQuery, DWR, IBM Rational Application Developer v7.0

CERTIFICATIONS

- I am an IBM Rational application developer for websphere software V 6.0 certified. (July 2010)
- CCP (Cognizant Certified Professional) in core programming concepts

ACHIEVEMENTS

- Converter tool was recognized and published in **INNOVATION ZONE** at cognizant.
- **Winner** of wing '11 skit play event at cognizant.
- Also published my name as effort saver for the tool and awarded by spot award.
- Awarded by a spot award for successful implementation of PoC for Lending process.
- Appreciated for all for my technical skills, Way of handling the problem statement and all deliverables
- Received appreciations for exceptionally handling warranty support.
- Selected in top 10 coders in C/C++ programming competition organized by IEEE at Nirma University.

EXTRA CURRICULAR

- Participated in District level Science Fair for the project of magical math (October 2006)
- Participated in "Human Rights Campaign's" All Gujarat Essay Competition and received applauds (December 2004)

PERSONAL DETAILS

| | |
|-----------------------|---|
| Name | Malav Jitendrabhai Shah |
| Postal Address | A/16, Vasupujaya Flat, Jainnagar, Kabir chowk, Sabarmati, Ahmedabad-380005,Gujarat, India |
| Contact No | (M) +91 8698787360 |
| Date Of Birth | 17 th June 1990 |
| Email address | malav42@gmail.com |

DECLARATION:

I hereby declare that the above mentioned information is true to the best of my knowledge.

Place: Ahmedabad
